SANTA ARRIVES AT PARKSIDE CHILD DEVELOPMENT CENTER

by Ken Caplin

After a long long journey, Orange North's Santa Claus (member Albert Cousa) arrived on time at the Orange Unified

School District Parkside Pre-Kindergarten Child Development Center in Orange, CA. Waiting under sunny crisp skies for Santa in the school's playground, the children began screaming, "Santa! Santa!" when he arrive on an Orange Fire Department Truck with sirens blazing. The children were ushered into a classroom waiting excitedly until Santa walked into one of the school's room.

Santa continues from page 1

While Santa took his usual place in a rocking chair, the children sang Christmas songs. There were tears of joy seen on the faces of the children and their parents as the name of each child was called out! Each child sat on Santa's lap while each received their presents. In many cases, these may be the only presents these pre-kindergarten children receive for Christmas.

We would like to extend a special thank-you to the City of Orange Fire Department, and in particular to firemen

John Ireland, Bryan Bingham, and Paul Thiebert for taking the time to bring Fire Engine #4 out for this event. The children were thrilled to see the fire engine appear with Santa waving!

For at least 25 years, Orange North Rotarians have supported this humanitarian cause in the City of Orange. Members and guests contribute to fund this cause and this year without exception was again another successful Community Service Project. We look forward to next years event. 🌟

THE FOUR WAY TEST

Of all the things we think, say or do,

1. Is it the **Truth**?
2. Is it **Fair** to all concerned?
3. Will it build **Good Will** and **Better Friendship**?
4. Will it be **Beneficial** to all concerned?

*What it means
to be a Rotarian.*
